

Dear guests of the Bier Stein,

A few things we want you to know about our current COVID protocol!

- Our beer cooler is always open and we are continuing take-out, curbside pick-up and beer and food delivery! As of 12/3, our outdoor patio is open for dine-in. Our patio is covered and has heat lamps, but it can still get a bit chilly, so dress warm!
- Due to state mandated occupancy regulations, we are only allowed to seat a maximum of 50 people outside, with no more than 6 people per table.
- We are first come first serve and are not taking reservations. When you arrive at the Bier Stein please come inside to be seated. **Please do not seat yourself**, as we are maintaining our cleaning and sanitizing of each table between guests.
- A mask must be worn if not actively drinking or eating while seated at your assigned table. Once you get up from your table to go shop the cooler or use the restroom, **you must put your mask back on**. We are strictly adhering to the government mandated mask policy.
- We have teamed up with **Hey Porter!**, a local online ordering system, so you can order our draft beer, select items from our cooler and food right from your table. First time users need to sign up for an account, which only takes a minute or two. From your smart device, go to our website, <https://thebierstein.com/>, click the **Order Now icon** to place your order.
- If you would like to pick up some beer to go, the cooler is open and you can shop inside. Only 3 small groups are allowed to shop the cooler at a time in order to maintain a safe physical distance.
- If you live within a 2 mile radius, you can order food **and most of our beer selections** from our website and we will deliver them right to your doorstep. Please make sure you have proper ID when doing so. Check our website for current delivery hours. (If you live outside of this radius, GrubHub or DoorDash are another option for delivery!)

The community has been so supportive and generous to us at the Bier Stein. Thank you for helping keep our doors open. We appreciate your loyalty! Cheers from all the crew at the Bier Stein, thank you, and see you all for a cold pint and some delicious comfort food.

Sincerely,
The Bier Stein
